Forward-Looking Statements

This press release may contain certain forward-looking statements regarding future circumstances, including estimates regarding earnings per share from continuing operations for the third quarter of fiscal 2009. These forward-looking statements are based upon the Company's current expectations and assumptions and are subject to various risks and uncertainties that could cause actual results to differ materially. Some of these risks and uncertainties are described in the Company's filings with the Securities and Exchange Commission, including in the "Risk Factors" section of its annual report on Form 10-K for the fiscal year ended January 31, 2009. Included among the risks and uncertainties that could cause actual results, events and performance to differ materially are the risk that the Company will be unsuccessful in gauging fashion trends and changing consumer preferences, and the risks resulting from the highly competitive nature of the Company's business and its dependence on consumer spending patterns, which may be affected by the downturn in the economy. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date they were made. The Company undertakes no obligation to release publicly any revisions to these forward-looking statements that may be made to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events. The inclusion of any statement in this release does not constitute an admission by the Company or any other person that the events or circumstances described in such statement are material.
